

Extension of Principles for Agreement
on Bay-Delta Standards between
the State of California and the United States

The representatives of California and the United States agree to extend their commitments described in the Bay-Delta Accord signed on December 15, 1994 entitled "Principles for Agreement on Bay-Delta Standards between the State of California and the Federal Government" until execution of the Record of Decision and Certification of the CALFED Bay-Delta Final Programmatic Environmental Impact Statement and Environmental Impact Report. In no event, however, shall this extension continue beyond September 15, 2000.
